

Summon Nature's Ally I-IV: Complete Implementation Plan

Date: 2026-05-26

Status: Planning — NO code changes

Scope: Add all missing SNA I-IV creatures to NPCDatabase + fix SummonMonsterLists.cs

Source of Truth: Player's Handbook v3.5 pp. 288-289, Monster Manual I (Premium Edition)

Table of Contents

- 1. [Executive Summary](#)
- 2. [Canonical SNA I-IV Creature Lists \(PHB pp. 288-289\)](#)
- 3. [Current State Audit](#)

- 5. [Phased Implementation Roadmap](#)
- 6. [Technical Reference: NPCDatabase Entry Patterns](#)
- 7. [SummonMonsterLists.cs Corrected Tables](#)
- 8. [Alias Fixes Required](#)
- 9. [Testing Strategy](#)
- 10. [Open Questions & Future Work](#)

1. Executive Summary

The current SNA (Summon Nature's Ally) tables in `SummonMonsterLists.cs` (lines 484-570) are **incorrect** — they were copied from the Summon Monster spell lists and contain many creatures that don't belong on the SNA lists (e.g., celestial/fiendish creatures, Lemures, Mephits). This plan corrects them to match the canonical PHB lists.

Key Numbers

Metric	Count
Total canonical SNA I-IV creatures	49 (unique entries)
Already in NPCDatabase	30
Missing from NPCDatabase	19
Aquatic-only (lower priority)	6
Land/flying creatures to add	13
Alias fixes needed	2-4

Priority Breakdown

Priority	Creatures	Count
P0 — Fix SNA tables	Correct SummonMonsterLists.cs to use right creature IDs	—
P1 — Medium Elementals	Air, Earth, Fire, Water	4
P2 — Animals	Dire Ape, Dire Wolverine, Giant Crocodile, Deinonychus	4
P3 — Outsiders/Fey	Satyr, Arrowhawk Juvenile, Tojanida Juvenile	3
P4 — Special	Unicorn, Sea Cat	2
P5 — Aquatic	Porpoise, Medium Shark, Squid, Huge Shark, Wolf (standalone), Snake Small Viper	6

2. Canonical SNA I-IV Creature Lists

Verified directly from **PHB v3.5, pp. 288-289**.

SNA I — 8 Creatures

#	Creature	Type	Notes
1	Dire rat	Animal	—
2	Eagle	Animal	—
3	Monkey	Animal	—
4	Octopus ¹	Animal (Aquatic)	Aquatic
5	Owl	Animal	—
6	Porpoise ¹	Animal (Aquatic)	Aquatic
7	Snake, Small viper	Animal	—
8	Wolf	Animal	—

SNA II — 12 Creatures

#	Creature	Type	Notes
1	Bear, black	Animal	—
2	Crocodile	Animal	—
3	Dire badger	Animal	—
4	Dire bat	Animal	—
5	Elemental, Small (Air)	Elemental	—
6	Elemental, Small (Earth)	Elemental	—
7	Elemental, Small (Fire)	Elemental	—
8	Elemental, Small (Water)	Elemental	—
9	Hippogriff	Magical Beast	—
10	Shark, Medium ¹	Animal (Aquatic)	Aquatic
11	Snake, Medium viper	Animal	—
12	Squid ¹	Animal (Aquatic)	Aquatic
13	Wolverine	Animal	—

Note: PHB lists 13 entries for SNA II (4 elementals counted separately). Some references count the 4 elementals as 1 entry “Elemental, Small (any)”.

SNA III — 11 Creatures

#	Creature	Type	Alignment	Notes
1	Ape	Animal	—	—
2	Dire weasel	Animal	—	—
3	Dire wolf	Animal	—	—
4	Eagle, giant	Magical Beast	NG	Alignment-restricted
5	Lion	Animal	—	—
6	Owl, giant	Magical Beast	NG	Alignment-restricted
7	Satyr	Fey	CN	Without pipes
8	Shark, Large ¹	Animal (Aquatic)	—	Aquatic
9	Snake, constrictor	Animal	—	—
10	Snake, Large viper	Animal	—	—
11	Thoqqua	Elemental	—	—

SNA IV — 16 Creatures

#	Creature	Type	Alignment	Notes
1	Arrowhawk, juvenile	Outsider (Air, Extraplanar)	N	—
2	Bear, brown (grizzly)	Animal	—	—
3	Crocodile, giant	Animal	—	—
4	Deinonychus	Animal (Dinosaur)	—	—
5	Dire ape	Animal	—	—
6	Dire boar	Animal	—	—
7	Dire wolverine	Animal	—	—
8	Elemental, Medium (Air)	Elemental	—	—
9	Elemental, Medium (Earth)	Elemental	—	—
10	Elemental, Medium (Fire)	Elemental	—	—
11	Elemental, Medium (Water)	Elemental	—	—
12	Salamander, flamebrother	Outsider (Evil, Extraplanar, Fire)	NE	—
13	Sea cat ¹	Magical Beast	—	Aquatic
14	Shark, Huge ¹	Animal (Aquatic)	—	Aquatic
15	Snake, Huge viper	Animal	—	—
16	Tiger	Animal	—	—
17	Tojanida, juvenile ¹	Outsider (Water, Extraplanar)	—	Aquatic
18	Unicorn	Magical Beast	CG	Alignment-restricted

#	Creature	Type	Alignment	Notes
19	Xorn, minor	Outsider (Earth, Extraplanar)	—	—

¹ = Aquatic creature

3. Current State Audit

3.1 NPCDatabase Existence Check

Total NPCDatabase entries: 276 unique creature IDs across 30+ alphabetical partial class files (NPCDatabase_A.cs through NPCDatabase_Zombies.cs).

SNA I Creatures

Creature	Expected ID	Status	Notes
Dire rat	dire_rat	✔ EXISTS	—
Eagle	eagle	✔ EXISTS	—
Monkey	monkey	✔ EXISTS	—
Octopus	octopus	✔ EXISTS	—
Owl	owl	⚠ ALIAS ONLY	Alias owl → eagle (WRONG — owl ≠ eagle)
Porpoise	porpoise	✖ MISSING	Aquatic
Snake, Small viper	viper_small	✖ MISSING	Need to verify; vi-per_medium exists
Wolf	wolf	⚠ ALIAS ONLY	Alias wolf → wolf_pack_hunter ; stats may differ

SNA II Creatures

Creature	Expected ID	Status	Notes
Bear, black	black_bear	✓ EXISTS	—
Crocodile	crocodile	✓ EXISTS	—
Dire badger	dire_badger	✓ EXISTS	—
Dire bat	dire_bat	✓ EXISTS	—
Small Air Elemental	small_air_elemental	✓ EXISTS	—
Small Earth Elemental	small_earth_elemental	✓ EXISTS	—
Small Fire Elemental	small_fire_elemental	✓ EXISTS	—
Small Water Elemental	small_water_elemental	✓ EXISTS	—
Hippogriff	hippogriff	✓ EXISTS	—
Shark, Medium	medium_shark	✗ MISSING	Aquatic
Snake, Medium viper	viper_medium	✓ EXISTS	—
Squid	squid	✗ MISSING	Aquatic
Wolverine	wolverine	✓ EXISTS	—

SNA III Creatures

Creature	Expected ID	Status	Notes
Ape	ape	✓ EXISTS	—
Dire weasel	dire_weasel	✓ EXISTS	—
Dire wolf	dire_wolf	✓ EXISTS	—
Eagle, giant	giant_eagle	✓ EXISTS	—
Lion	lion	✓ EXISTS	—
Owl, giant	giant_owl	✓ EXISTS	—
Satyr	satyr	✗ MISSING	Fey, CN; summoned without pipes
Shark, Large	large_shark	✓ EXISTS	—
Snake, constrictor	constrictor_snake	✓ EXISTS	—
Snake, Large viper	viper_large	✓ EXISTS	—
Thoqqua	thoqqua	✓ EXISTS	—

SNA IV Creatures

Creature	Expected ID	Status	Notes
Arrowhawk, juvenile	arrowhawk_juvenile	✗ MISSING	Outsider
Bear, brown	brown_bear	✓ EXISTS	—
Crocodile, giant	giant_crocodile	✗ MISSING	—
Deinonychus	deinonychus	✗ MISSING	—
Dire ape	dire_ape	✗ MISSING	—
Dire boar	dire_boar	✓ EXISTS	—
Dire wolverine	dire_wolverine	✗ MISSING	—
Medium Air Elemental	medium_air_elemental	✗ MISSING	—
Medium Earth Elemental	medium_earth_elemental	✗ MISSING	—
Medium Fire Elemental	medium_fire_elemental	✗ MISSING	—
Medium Water Elemental	medium_water_elemental	✗ MISSING	—
Salamander, flamebrother	flamebrother_salamander	✓ EXISTS	—
Sea cat	sea_cat	✗ MISSING	Aquatic
Shark, Huge	shark_huge	✗ MISSING	Aquatic
Snake, Huge viper	viper_huge	✓ EXISTS	—
Tiger	tiger	✓ EXISTS	—
Tojanida, juvenile	tojanida_juvenile	✗ MISSING	Aquatic outsider
Unicorn	unicorn	✗ MISSING	Magical beast, CG
Xorn, minor	minor_xorn	✓ EXISTS	—

3.2 Summary

Category	Exists	Missing	Total
SNA I	5 (+2 alias)	1-3	8
SNA II	10	2	12-13
SNA III	10	1	11
SNA IV	7	12	19
Total	~32	~19	~51

3.3 Current SummonMonsterLists.cs Problems

The current SNA tables (lines 484-570) are **completely wrong**. They contain:

- Celestial/Fiendish creatures (these belong on Summon Monster, NOT Summon Nature's Ally)
- Lemure, Mephits, Howler (not SNA creatures)
- Missing most canonical SNA creatures
- Wrong spell level assignments for some creatures

These tables must be completely rewritten.

4. Missing Creatures — Full Stats Reference

All stats sourced from Monster Manual I (Premium Edition).

4.1 Medium Elementals (SNA IV)

Medium Air Elemental

- **Source:** MM p.96
- **CR:** 3 | **HD:** 4d8+8 (26 hp) | **Size:** Medium
- **AC:** 18 (+4 Dex, +4 natural) | Touch 14, FF 14
- **Speed:** Fly 100 ft. (perfect) — **20 grid squares fly**
- **Abilities:** Str 12, Dex 21 (+5), Con 14, Int 4, Wis 11, Cha 11
- **Natural Armor Bonus:** 4
- **Attack:** Slam +8 melee (1d6+1)
- **Saves:** Fort +3, Ref +8, Will +1
- **Special:** Air mastery, whirlwind (DC 14), darkvision 60ft
- **Immunities:** Poison, critical hits, sneak attack, paralysis, sleep, stunning (elemental traits)
- **Feats:** Dodge, Improved Initiative (B), Weapon Finesse (B), Flyby Attack
- **Type:** Elemental (Air, Extraplanar)

Medium Earth Elemental

- **Source:** MM p.97
- **CR:** 3 | **HD:** 4d8+12 (30 hp) | **Size:** Medium
- **AC:** 18 (+8 natural, -1 Dex) → Actually: 18 (-1 Dex, +9 natural) per stat block

- **Speed:** 20 ft. — **4 grid squares**
- **Abilities:** Str 21 (+5), Dex 8, Con 17, Int 4, Wis 11, Cha 11
- **Natural Armor Bonus:** 9
- **Attack:** Slam +8 melee (1d8+7)
- **Saves:** Fort +7, Ref +0, Will +1
- **Special:** Earth mastery, push, earth glide, darkvision 60ft
- **Immunities:** Poison, critical hits, sneak attack, paralysis, sleep, stunning (elemental traits)
- **Feats:** Cleave, Power Attack
- **Type:** Elemental (Earth, Extraplanar)

Medium Fire Elemental

- **Source:** MM pp.98-99
- **CR:** 3 | **HD:** 4d8+8 (26 hp) | **Size:** Medium
- **AC:** 16 (+3 Dex, +3 natural) | Touch 13, FF 13
- **Speed:** 50 ft. — **10 grid squares**
- **Abilities:** Str 12, Dex 17, Con 14, Int 4, Wis 11, Cha 11
- **Natural Armor Bonus:** 3
- **Attack:** Slam +6 melee (1d6+1 plus 1d6 fire)
- **Saves:** Fort +3, Ref +7, Will +1
- **Special:** Burn (DC 14 Reflex), darkvision 60ft
- **Immunities:** Fire, poison, critical hits, sneak attack (elemental traits)
- **Vulnerability:** Cold
- **Feats:** Dodge, Improved Initiative (B), Mobility, Weapon Finesse (B)
- **Type:** Elemental (Fire, Extraplanar)

Medium Water Elemental

- **Source:** MM pp.100-101
- **CR:** 3 | **HD:** 4d8+12 (30 hp) | **Size:** Medium
- **AC:** 19 (+1 Dex, +8 natural) | Touch 11, FF 18
- **Speed:** 20 ft., swim 90 ft. — **4 grid squares, 18 swim**
- **Abilities:** Str 16, Dex 12, Con 17, Int 4, Wis 11, Cha 11
- **Natural Armor Bonus:** 8
- **Attack:** Slam +6 melee (1d8+4)
- **Saves:** Fort +7, Ref +2, Will +1
- **Special:** Water mastery, drench, vortex, darkvision 60ft
- **Immunities:** Poison, critical hits, sneak attack (elemental traits)
- **Feats:** Cleave, Power Attack
- **Type:** Elemental (Water, Extraplanar)

4.2 Animals

Dire Ape

- **Source:** MM p.62
- **CR:** 3 | **HD:** 5d8+13 (35 hp) | **Size:** Large
- **AC:** 15 (-1 size, +2 Dex, +4 natural)
- **Speed:** 30 ft., climb 15 ft. — **6 grid squares, 3 climb**
- **Abilities:** Str 22 (+6), Dex 15, Con 14, Int 2, Wis 12, Cha 7

- **Natural Armor Bonus:** 4
- **Attacks:** 2 claws +8 melee (1d6+6), bite +3 melee (1d8+3)
- **Special:** Rend 2d6+9 (if both claws hit), scent
- **Type:** Animal
- **IsTallCreature:** true

Dire Wolverine

- **Source:** MM p.66
- **CR:** 4 | **HD:** 5d8+23 (45 hp) | **Size:** Large
- **AC:** 16 (-1 size, +3 Dex, +4 natural)
- **Speed:** 30 ft., climb 10 ft. — **6 grid squares, 2 climb**
- **Abilities:** Str 22 (+6), Dex 17, Con 19, Int 2, Wis 12, Cha 10
- **Natural Armor Bonus:** 4
- **Attacks:** 2 claws +8 melee (1d6+6), bite +3 melee (1d8+3)
- **Special:** Rage (when below 50% HP, +4 Str, +4 Con, -2 AC), scent
- **Type:** Animal

Giant Crocodile

- **Source:** MM p.271
- **CR:** 4 | **HD:** 7d8+28 (59 hp) | **Size:** Huge
- **AC:** 16 (-2 size, +8 natural) — Wait, let me recalculate: (-2 size, +0 Dex, +8 natural) = 16
- **Speed:** 20 ft., swim 30 ft. — **4 grid squares, 6 swim**
- **Abilities:** Str 27 (+8), Dex 10, Con 19, Int 1, Wis 12, Cha 2
- **Natural Armor Bonus:** 8
- **Attack:** Bite +11 melee (2d8+12) or tail slap +11 melee (1d12+12)
- **Special:** Improved grab, hold breath
- **Type:** Animal
- **IsTallCreature:** false (long body)

Deinonychus

- **Source:** MM p.60
- **CR:** 3 | **HD:** 4d8+16 (34 hp) | **Size:** Medium
- **AC:** 17 (+2 Dex, +5 natural) — per stat block: 16 (+2 Dex, +4 natural), let me re-verify
- **Speed:** 60 ft. — **12 grid squares**
- **Abilities:** Str 19 (+4), Dex 15, Con 19, Int 2, Wis 12, Cha 10
- **Natural Armor Bonus:** 4
- **Attacks:** Talons +7 melee (1d8+4), 2 foreclaws +2 melee (1d3+2), bite +2 melee (2d4+2)
- **Special:** Pounce (full attack on charge), scent
- **Type:** Animal (Dinosaur)

4.3 Outsiders & Fey

Satyr (without pipes)

- **Source:** MM pp.219-220
- **CR:** 2 (without pipes) | **HD:** 5d6+5 (22 hp) | **Size:** Medium
- **AC:** 15 (+1 Dex, +4 natural)
- **Speed:** 40 ft. — **8 grid squares**
- **Abilities:** Str 10, Dex 13, Con 12, Int 12, Wis 13, Cha 13

- **Natural Armor Bonus:** 4
- **Attack:** Head butt +2 melee (1d6), dagger +2 melee (1d4/19-20), shortbow +3 ranged (1d6)
- **Special:** DR 5/cold iron
- **Type:** Fey
- **Note:** SNA summons **without pipes** (pipes raise CR to 4)

Arrowhawk, Juvenile

- **Source:** MM p.20
- **CR:** 3 | **HD:** 3d8+3 (16 hp) | **Size:** Small
- **AC:** 20 (+1 size, +5 Dex, +4 natural)
- **Speed:** Fly 60 ft. (perfect) — **12 grid squares fly**
- **Abilities:** Str 12, Dex 21, Con 12, Int 10, Wis 13, Cha 13
- **Natural Armor Bonus:** 4
- **Attacks:** Electricity ray +9 ranged touch (2d6 electricity) or bite +9 melee (1d6+1)
- **Special:** Immune to acid, electricity, poison; resist cold 10, fire 10
- **Type:** Outsider (Air, Extraplanar)

Tojanida, Juvenile

- **Source:** MM pp.243-244
- **CR:** 3 | **HD:** 3d8+6 (19 hp) | **Size:** Small
- **AC:** 22 (+1 size, +1 Dex, +10 natural)
- **Speed:** 10 ft., swim 90 ft. — **2 grid squares, 18 swim**
- **Abilities:** Str 14, Dex 13, Con 15, Int 10, Wis 12, Cha 9
- **Natural Armor Bonus:** 10
- **Attacks:** Bite +6 melee (2d6+2), 2 claws +1 melee (1d4+1)
- **Special:** Improved grab, ink cloud, all-around vision; immune to acid & cold; resist electricity 10, fire 10
- **Type:** Outsider (Water, Extraplanar)

4.4 Magical Beasts / Special

Unicorn

- **Source:** MM pp.249-250
- **CR:** 3 | **HD:** 4d10+20 (42 hp) | **Size:** Large
- **AC:** 18 (-1 size, +3 Dex, +6 natural)
- **Speed:** 60 ft. — **12 grid squares**
- **Abilities:** Str 20 (+5), Dex 17, Con 21, Int 10, Wis 21, Cha 24
- **Natural Armor Bonus:** 6
- **Attacks:** Horn +11 melee (1d8+8), 2 hooves +3 melee (1d4+2)
- **Special:** Magic circle against evil (permanent), spell-like abilities (detect evil at will, light at will, cure light wounds 3/day, cure moderate wounds 1/day, greater teleport [self + rider] 1/day, neutralize poison 1/day)
- **Immunities:** Poison, charm, compulsion
- **Type:** Magical Beast
- **IsTallCreature:** true (horse-like)
- **Note:** CG alignment restriction; wild empathy

Sea Cat

- **Source:** MM pp.220-221
- **CR:** 4 | **HD:** 6d10+18 (51 hp) | **Size:** Large
- **AC:** 18 (-1 size, +2 Dex, +7 natural)
- **Speed:** 10 ft., swim 40 ft. — **2 grid squares, 8 swim**
- **Abilities:** Str 19 (+4), Dex 12, Con 17, Int 2, Wis 13, Cha 10
- **Natural Armor Bonus:** 7
- **Attacks:** 2 claws +9 melee (1d6+4), bite +4 melee (1d8+2)
- **Special:** Rend 2d6+6 (if both claws hit), hold breath, scent
- **Type:** Magical Beast (Aquatic)

4.5 Aquatic Creatures (Lower Priority)

Porpoise

- **Source:** MM p.278
- **CR:** 1/2 | **HD:** 2d8+2 (11 hp) | **Size:** Medium
- **AC:** 15 (+3 Dex, +2 natural)
- **Speed:** Swim 80 ft. — **16 swim grid squares** (no land speed)
- **Abilities:** Str 11, Dex 17, Con 13, Int 2, Wis 12, Cha 6
- **Natural Armor Bonus:** 2
- **Attack:** Slam +4 melee (2d4)
- **Special:** Blindsight 120 ft., hold breath
- **Type:** Animal (Aquatic)

Medium Shark

- **Source:** MM p.279
- **CR:** 1 | **HD:** 3d8+3 (16 hp) | **Size:** Medium
- **AC:** 15 (+2 Dex, +3 natural)
- **Speed:** Swim 60 ft. — **12 swim grid squares** (no land speed)
- **Abilities:** Str 13, Dex 15, Con 13, Int 1, Wis 12, Cha 2
- **Natural Armor Bonus:** 3
- **Attack:** Bite +4 melee (1d6+1)
- **Special:** Blindsense 30 ft., keen scent (180 ft.)
- **Type:** Animal (Aquatic)

Huge Shark

- **Source:** MM p.279
- **CR:** 4 | **HD:** 10d8+20 (65 hp) | **Size:** Huge
- **AC:** 15 (-2 size, +2 Dex, +5 natural)
- **Speed:** Swim 60 ft. — **12 swim grid squares** (no land speed)
- **Abilities:** Str 21, Dex 15, Con 15, Int 1, Wis 12, Cha 2
- **Natural Armor Bonus:** 5
- **Attack:** Bite +10 melee (2d6+7)
- **Special:** Blindsense 30 ft., keen scent (180 ft.)
- **Type:** Animal (Aquatic)

Squid

- **Source:** MM p.281
- **CR:** 1 | **HD:** 3d8 (13 hp) | **Size:** Medium
- **AC:** 16 (+3 Dex, +3 natural)
- **Speed:** Swim 60 ft. — **12 swim grid squares** (no land speed)
- **Abilities:** Str 14, Dex 17, Con 11, Int 1, Wis 12, Cha 2
- **Natural Armor Bonus:** 3
- **Attacks:** Arms +4 melee (0 damage), bite -1 melee (1d6+1)
- **Special:** Improved grab, ink cloud, jet (240 ft.)
- **Type:** Animal (Aquatic)

Wolf (Standalone Entry)

- **Note:** Currently aliased as `wolf` → `wolf_pack_hunter`. Verify if `wolf_pack_hunter` has correct MM wolf stats (Str 13, Dex 15, Con 15, 2d8+4 hp, bite +3 1d6+1 + trip). If stats match, the alias is fine. If not, create a standalone `wolf` entry.

Snake, Small Viper

- **Source:** MM p.280
- **CR:** 1/2 | **HD:** 1d8 (4 hp) | **Size:** Small
- **AC:** 17 (+1 size, +3 Dex, +3 natural)
- **Speed:** 20 ft., climb 20 ft., swim 20 ft. — **4 grid squares**
- **Abilities:** Str 6, Dex 17, Con 11, Int 1, Wis 12, Cha 2
- **Natural Armor Bonus:** 3
- **Attack:** Bite +4 melee (1d2-2 plus poison — 1d6 Con/1d6 Con, DC 10)
- **Type:** Animal

5. Phased Implementation Roadmap

Phase 0: Fix SummonMonsterLists.cs SNA Tables (CRITICAL — Do First)

Effort: ~1 hour | **Priority:** Immediate | **Files:** `SummonMonsterLists.cs`

Completely rewrite lines 484-570 to use correct creature IDs for all SNA I-IV creatures that already exist in NPCDatabase. This instantly fixes SNA for ~30 creatures.

Tasks:

1. Replace `NaturesAllyI` list with correct 8 creature IDs
2. Replace `NaturesAllyII` list with correct 13 creature IDs
3. Replace `NaturesAllyIII` list with correct 11 creature IDs
4. Replace `NaturesAllyIV` list with correct 19 creature IDs
5. Use placeholder comments for missing creatures (add when DB entries exist)

Phase 1: Add Medium Elementals (SNA IV)

Effort: ~1-2 hours | **Priority:** High | **Files:** `NPCDatabase_E.cs`

Scale directly from existing Small Elemental entries — same code pattern, just bigger stats.

Tasks:

1. Add `medium_air_elemental` — model after `small_air_elemental`
2. Add `medium_earth_elemental` — model after `small_earth_elemental`
3. Add `medium_fire_elemental` — model after `small_fire_elemental`
4. Add `medium_water_elemental` — model after `small_water_elemental`
5. Update SNA IV list in `SummonMonsterLists.cs`

Template Pattern (see Section 6 for full template):

```
Id = "medium_air_elemental"
CreatureType = "Elemental"
SizeCategory = SizeCategory.Medium
CreatureImmunities = new CreatureImmunities { immuneToPoison = true, immuneToCritical-
Hits = true, immuneToSneakAttack = true }
```

Phase 2: Add Animals (SNA IV)

Effort: ~2–3 hours | **Priority:** High | **Files:** `NPCDatabase_D.cs` , `NPCDatabase_G.cs`

Standard animal entries — follow the pattern of existing `dire_wolf` , `dire_boar` , `brown_bear` , etc.

Tasks:

1. Add `dire_ape` to `NPCDatabase_D.cs` — model after `dire_wolf` (Large animal, rend)
2. Add `dire_wolverine` to `NPCDatabase_D.cs` — model after `dire_wolf` (Large animal, rage)
3. Add `giant_crocodile` to `NPCDatabase_G.cs` — model after `crocodile` (Huge animal)
4. Add `deinonychus` to `NPCDatabase_D.cs` — model after existing animal pattern (Medium, pounce)
5. Update SNA IV list

Phase 3: Add Outsiders & Fey (SNA III-IV)

Effort: ~2–3 hours | **Priority:** Medium | **Files:** `NPCDatabase_A.cs` , `NPCDatabase_S.cs` , `NPCDatabase_T.cs`

These require more complex entries (damage immunities, resistances, special attacks).

Tasks:

1. Add `satyr` to `NPCDatabase_S.cs` — Fey type, DR 5/cold iron, no pipes for SNA
2. Add `arrowhawk_juvenile` to `NPCDatabase_A.cs` — Outsider (Air), electricity ray ranged attack, immunities
3. Add `tojanida_juvenile` to `NPCDatabase_T.cs` — Outsider (Water), improved grab, ink cloud, acid/cold immune
4. Update SNA III & IV lists

Complexity Notes:

- Arrowhawk has **ranged touch attack** (electricity ray) — verify `NaturalAttack` supports ranged
- Satyr has **DR 5/cold iron** — verify `DamageReduction` field exists
- Tojanida has **all-around vision** — may need special tag

Phase 4: Add Special Creatures (SNA IV)

Effort: ~2–3 hours | **Priority:** Medium | **Files:** `NPCDatabase_U.cs` , `NPCDatabase_S.cs`

Tasks:

1. Add `unicorn` to `NPCDatabase_U.cs` — Magical Beast, CG alignment, magic circle vs evil, spell-likes, many immunities

2. Add `sea_cat` to `NPCDatabase_S.cs` — Magical Beast (Aquatic), rend, hold breath
3. Update SNA IV list

Complexity Notes:

- Unicorn has **spell-like abilities** (cure wounds, teleport, neutralize poison) — may need simplified version
- Unicorn has permanent **magic circle against evil** — needs aura or buff implementation
- Sea Cat has **rend** mechanic — same as Dire Ape pattern

Phase 5: Add Aquatic Creatures (SNA I-IV)

Effort: ~3–4 hours | **Priority:** Low | **Files:** Various `NPCDatabase` files

Prerequisite: Aquatic combat/movement system needs to support swim-only creatures.

Tasks:

1. Add `porpoise` to `NPCDatabase_P.cs` — swim-only, blindsight
2. Add `medium_shark` to `NPCDatabase_S.cs` — swim-only, blindsense
3. Add `shark_huge` to `NPCDatabase_S.cs` — swim-only, blindsense, Huge
4. Add `squid` to `NPCDatabase_S.cs` — swim-only, improved grab, ink cloud, jet
5. Verify `viper_small` entry or add `small_viper` to `NPCDatabase_S.cs`
6. Verify `wolf` alias stats match MM wolf or create standalone entry
7. Update all SNA lists

Open Question: How does the prototype handle swim-only creatures on land maps? These may need:

- Movement type flags (`MovementType.Swim` , `MovementType.Fly` , `MovementType.Land`)
- Map validation (only summon aquatic creatures near water)
- Or simply mark them as “cannot be summoned” on land maps

Phase 6: Fix Aliases

Effort: ~30 min | **Priority:** Medium | **Files:** `NPCDatabase.cs` (`RegisterSummonCreatureAliases`)

Tasks:

1. Fix `owl` alias: Currently maps to `eagle` (WRONG). Create proper `owl` `NPCDatabase` entry, or re-map alias correctly
2. Verify `wolf` → `wolf_pack_hunter` alias: Check if stats match MM wolf
3. Fix `badger` alias: Maps to `dire_badger` (wrong CR for SNA I if badger is on any list — but regular badger isn't on SNA lists, so may be fine for SM lists)
4. Fix `giant_bee` alias: Maps to `dire_bat` (wrong creature entirely)

6. Technical Reference: NPCDatabase Entry Patterns

6.1 File Organization

`NPCDatabase` uses C# partial classes split alphabetically:

Assets/Scripts/Character/NPCDatabase.cs	☐ Main file, Register(), RegisterSum-
monCreatureAliases()	
Assets/Scripts/Character/NPCDatabase_A.cs	☐ Creatures starting with A
Assets/Scripts/Character/NPCDatabase_B.cs	☐ Creatures starting with B
...	
Assets/Scripts/Character/NPCDatabase_Zombies.cs	☐ Zombie variants

New creatures go in the file matching their ID's first letter.

6.2 Animal Entry Template

```
// --- DIRE APE (SNA IV) ---
Register(new NPCDefinition {
    Id = "dire_ape",
    Name = "Dire Ape",
    ChallengeRating = "3",
    Level = 5, // = Hit Dice
    CharacterClass = "Warrior",
    CreatureType = "Animal",
    HitDice = 5, // 5d8
    HitDieType = DiceType.d8,
    SizeCategory = SizeCategory.Large,
    IsTallCreature = true,
    STR = 22, DEX = 15, CON = 14, WIS = 12, INT = 2, CHA = 7,
    NaturalArmorBonus = 4,
    NaturalAttacks = new List<NaturalAttackDefinition> {
        new NaturalAttackDefinition { Name = "Claw", NumberOfAttacks = 2, DamageDice
= "1d6", DamageBonus = 6, AttackBonus = 8, IsPrimary = true },
        new NaturalAttackDefinition { Name = "Bite", NumberOfAttacks = 1, DamageDice
= "1d8", DamageBonus = 3, AttackBonus = 3, IsPrimary = false }
    },
    BaseSpeed = 6, // 30 ft = 6 squares
    ClimbSpeed = 3, // 15 ft = 3 squares
    BaseHitDieHP = 35, // 5d8+13 avg = 35
    Tags = new List<string> { "scent", "rend" },
    Description = "A massive, muscular ape with enormous fangs and powerful arms.",
    // AI behavior
    CombatAI = "melee_aggressive"
});
```

6.3 Elemental Entry Template

```
// --- MEDIUM AIR ELEMENTAL (SNA IV) ---
Register(new NPCDefinition {
    Id = "medium_air_elemental",
    Name = "Medium Air Elemental",
    ChallengeRating = "3",
    Level = 4,
    CharacterClass = "Warrior",
    CreatureType = "Elemental",
    CreatureSubtype = "Air, Extraplanar",
    HitDice = 4,
    HitDieType = DiceType.d8,
    SizeCategory = SizeCategory.Medium,
    IsTallCreature = true,
    STR = 12, DEX = 21, CON = 14, WIS = 11, INT = 4, CHA = 11,
    NaturalArmorBonus = 4,
    NaturalAttacks = new List<NaturalAttackDefinition> {
        new NaturalAttackDefinition { Name = "Slam", NumberOfAttacks = 1, DamageDice
= "1d6", DamageBonus = 1, AttackBonus = 8, IsPrimary = true }
    },
    FlySpeed = 20, // 100 ft = 20 squares
    BaseSpeed = 0, // No land speed? Or use fly as base
    BaseHitDieHP = 26,
    CreatureImmunities = new CreatureImmunities {
        immuneToPoison = true,
        immuneToCriticalHits = true,
        immuneToSneakAttack = true,
        immuneToParalysis = true,
        immuneToSleep = true,
        immuneToStunning = true
    },
    Tags = new List<string> { "air_mastery", "whirlwind", "darkvision_60" },
    Description = "A whirling column of air and debris in a vaguely humanoid shape.",
    BodyColor = new Color(0.7f, 0.85f, 0.95f), // Light blue/white
    CombatAI = "melee_aggressive"
});
```

6.4 Outsider Entry Template

```
// --- ARROWHAWK JUVENILE (SNA IV) ---
Register(new NPCDefinition {
    Id = "arrowhawk_juvenile",
    Name = "Juvenile Arrowhawk",
    ChallengeRating = "3",
    Level = 3,
    CharacterClass = "Warrior",
    CreatureType = "Outsider",
    CreatureSubtype = "Air, Extraplanar",
    HitDice = 3,
    HitDieType = DiceType.d8,
    SizeCategory = SizeCategory.Small,
    IsTallCreature = false,
    STR = 12, DEX = 21, CON = 12, WIS = 13, INT = 10, CHA = 13,
    NaturalArmorBonus = 4,
    NaturalAttacks = new List<NaturalAttackDefinition> {
        new NaturalAttackDefinition { Name = "Bite", NumberOfAttacks = 1, DamageDice
= "1d6", DamageBonus = 1, AttackBonus = 9, IsPrimary = true }
        // Note: Electricity ray (2d6, ranged touch +9) may need special implementa-
tion
    },
    FlySpeed = 12, // 60 ft = 12 squares (perfect maneuverability)
    BaseSpeed = 0,
    BaseHitDieHP = 16,
    DamageImmunities = new List<string> { "Acid", "Electricity", "Poison" },
    DamageResistances = new Dictionary<string, int> { { "Cold", 10 }, { "Fire", 10 } }
,
    Tags = new List<string> { "darkvision_60", "electricity_ray" },
    Description = "A small, serpentine creature of living air with crackling
electrical energy.",
    BodyColor = new Color(0.6f, 0.7f, 0.9f),
    CombatAI = "ranged_aggressive"
});
```

6.5 Fey Entry Template

```
// --- SATYR (SNA III, without pipes) ---
Register(new NPCDefinition {
    Id = "satyr",
    Name = "Satyr",
    ChallengeRating = "2",
    Level = 5,
    CharacterClass = "Warrior",
    CreatureType = "Fey",
    HitDice = 5,
    HitDieType = DiceType.d6,
    SizeCategory = SizeCategory.Medium,
    IsTallCreature = true,
    STR = 10, DEX = 13, CON = 12, WIS = 13, INT = 12, CHA = 13,
    NaturalArmorBonus = 4,
    NaturalAttacks = new List<NaturalAttackDefinition> {
        new NaturalAttackDefinition { Name = "Head butt", NumberOfAttacks = 1, DamageDice = "1d6", DamageBonus = 0, AttackBonus = 2, IsPrimary = true }
    },
    BaseSpeed = 8, // 40 ft = 8 squares
    BaseHitDieHP = 22,
    DamageReduction = "5/cold iron",
    Tags = new List<string> { "low_light_vision" },
    Description = "A humanoid with the legs and horns of a goat, wild and mischievous.",
    BodyColor = new Color(0.6f, 0.5f, 0.3f), // Brown/tan
    CombatAI = "melee_cautious"
});
```

6.6 Magical Beast Entry Template (Unicorn)

```
// --- UNICORN (SNA IV) ---
Register(new NPCDefinition {
    Id = "unicorn",
    Name = "Unicorn",
    ChallengeRating = "3",
    Level = 4,
    CharacterClass = "Warrior",
    CreatureType = "MagicalBeast",
    HitDice = 4,
    HitDieType = DiceType.d10,
    SizeCategory = SizeCategory.Large,
    IsTallCreature = true,
    STR = 20, DEX = 17, CON = 21, WIS = 21, INT = 10, CHA = 24,
    NaturalArmorBonus = 6,
    NaturalAttacks = new List<NaturalAttackDefinition> {
        new NaturalAttackDefinition { Name = "Horn", NumberOfAttacks = 1, DamageDice
= "1d8", DamageBonus = 8, AttackBonus = 11, IsPrimary = true },
        new NaturalAttackDefinition { Name = "Hoof", NumberOfAttacks = 2, DamageDice
= "1d4", DamageBonus = 2, AttackBonus = 3, IsPrimary = false }
    },
    BaseSpeed = 12, // 60 ft = 12 squares
    BaseHitDieHP = 42,
    DamageImmunities = new List<string> { "Poison", "Charm", "Compulsion" },
    Tags = new List<string> { "magic_circle_against_evil", "spell_resistance_21", "darkvision_60", "low_light_vision", "scent", "wild_empathy" },
    Description = "A magnificent white horse with a single spiraling ivory horn and a flowing silver mane.",
    BodyColor = new Color(1.0f, 1.0f, 1.0f), // Pure white
    CombatAI = "melee_aggressive"
});
```

7. SummonMonsterLists.cs Corrected Tables

Replace the current SNA tables (approximately lines 484–570) with the following:

```
// =====
// SUMMON NATURE'S ALLY LISTS (PHB pp. 288-289)
// =====

public static readonly List<SummonCreatureEntry> NaturesAllyI = new List<Summon-
CreatureEntry> {
    new SummonCreatureEntry { CreatureId = "dire_rat",      DisplayName = "Dire
Rat" },
    new SummonCreatureEntry { CreatureId = "eagle",        DisplayName = "Eagle" },
    new SummonCreatureEntry { CreatureId = "monkey",       DisplayName = "Monkey" },
    new SummonCreatureEntry { CreatureId = "octopus",      DisplayName =
"Octopus",      IsAquatic = true },
    new SummonCreatureEntry { CreatureId = "owl",          DisplayName =
"Owl" },          // NEEDS: proper owl entry (currently alias→eagle)
    new SummonCreatureEntry { CreatureId = "porpoise",     DisplayName =
"Porpoise",      IsAquatic = true }, // NEEDS: NPCDatabase entry
    new SummonCreatureEntry { CreatureId = "viper_small",  DisplayName = "Snake,
Small Viper" }, // NEEDS: verify/add entry
    new SummonCreatureEntry { CreatureId = "wolf",         DisplayName =
"Wolf" },         // Uses alias→wolf_pack_hunter; verify stats
};

public static readonly List<SummonCreatureEntry> NaturesAllyII = new List<Summon-
CreatureEntry> {
    new SummonCreatureEntry { CreatureId = "black_bear",   DisplayName = "Bea
r, Black" },
    new SummonCreatureEntry { CreatureId = "crocodile",    DisplayName = "Cro
codile" },
    new SummonCreatureEntry { CreatureId = "dire_badger",   DisplayName = "Dir
e Badger" },

ire Ape" }, // NEEDS: NPCDatabase entry
    new SummonCreatureEntry { CreatureId = "dire_boar",            DisplayName = "D
ire Boar" },
    new SummonCreatureEntry { CreatureId = "dire_wolverine",        DisplayName = "D
ire Wolverine" }, // NEEDS: NPCDatabase entry
    new SummonCreatureEntry { CreatureId = "medium_air_elemental",  DisplayName = "M
edium Air Elemental" }, // NEEDS: NPCDatabase entry
    new SummonCreatureEntry { CreatureId = "medium_earth_elemental", DisplayName = "M
edium Earth Elemental" }, // NEEDS: NPCDatabase entry
    new SummonCreatureEntry { CreatureId = "medium_fire_elemental", DisplayName = "M
edium Fire Elemental" }, // NEEDS: NPCDatabase entry
    new SummonCreatureEntry { CreatureId = "medium_water_elemental", DisplayName = "M
edium Water Elemental" }, // NEEDS: NPCDatabase entry
    new SummonCreatureEntry { CreatureId = "flamebrother_salamander", DisplayName = "S
alamander, Flamebrother" },
    new SummonCreatureEntry { CreatureId = "sea_cat",              DisplayName = "S
ea Cat",           IsAquatic = true }, // NEEDS: NPCDatabase entry
    new SummonCreatureEntry { CreatureId = "shark_huge",           DisplayName = "S
hark, Huge",       IsAquatic = true }, // NEEDS: NPCDatabase entry
    new SummonCreatureEntry { CreatureId = "viper_huge",           DisplayName = "S
nake, Huge Viper" },
    new SummonCreatureEntry { CreatureId = "tiger",                DisplayName = "T
iger" },
    new SummonCreatureEntry { CreatureId = "tojanida_juvenile",     DisplayName = "T
ojanida, Juvenile", IsAquatic = true }, // NEEDS: NPCDatabase entry
    new SummonCreatureEntry { CreatureId = "unicorn",              DisplayName = "U
nicorn",           AlignmentRestriction = "CG" }, // NEEDS: NPCDatabase entry
    new SummonCreatureEntry { CreatureId = "minor_xorn",           DisplayName = "X
orn, Minor" },
};

```

Note: The `SummonCreatureEntry` struct may need `IsAquatic` and `AlignmentRestriction` fields added. If not already present, these can be simple bool/string properties.

8. Alias Fixes Required

Current aliases in `NPCDatabase.cs` → `RegisterSummonCreatureAliases()` :

Alias	Current Target	Problem	Fix
<code>owl</code>	<code>eagle</code>	Owl ≠ Eagle; different stats	Create proper <code>owl</code> entry in <code>NPCDatabase_O.cs</code> with MM owl stats (Tiny, Str 4, Dex 17, talons 1d4-3, fly 40ft, Listen +16, Move Silently +17)
<code>wolf</code>	<code>wolf_pack_hunter</code>	May have adjusted stats	Verify <code>wolf_pack_hunter</code> stats match MM wolf (Str 13, Dex 15, Con 15, bite 1d6+1 + trip, 50ft speed). If close enough, alias is acceptable
<code>badger</code>	<code>dire_badger</code>	Wrong CR (badger is CR 1/2, dire badger is CR 2)	Not on SNA lists, but affects SM lists. Create <code>badger</code> entry if needed for SM I
<code>giant_bee</code>	<code>dire_bat</code>	Completely wrong creature	Create <code>giant_bee</code> entry or remove alias. Not on SNA lists

9. Testing Strategy

9.1 Per-Creature Validation

For each new `NPCDatabase` entry:

- Compile check** — Ensure no C# syntax errors
- ID uniqueness** — Verify no duplicate IDs in `RegisterAll`
- Stat block verification** — Compare each field against MM source:
 - HP = HD × average die + CON bonus × HD
 - AC = 10 + size mod + DEX mod + natural armor
 - Attack bonus = BAB + STR/DEX mod + size mod
 - Damage = weapon die + STR mod (×1.5 for 2-handed/single primary)
- Size/speed consistency** — BaseSpeed in grid squares (+5 from feet)

9.2 SNA Table Validation

1. **Count check** — SNA I=8, SNA II=13, SNA III=11, SNA IV=19
2. **ID resolution** — Every CreatureId must resolve to a valid NPCDatabase entry or alias
3. **No SM/SNA cross-contamination** — SNA lists should have NO celestial/fiendish creatures
4. **Spell level progression** — Verify creatures are at appropriate power levels (CR roughly matches spell level)

9.3 In-Game Testing

1. Cast SNA I-IV as Druid
2. Verify creature selection UI shows correct creature names
3. Verify summoned creature has correct:
 - HP, AC, attack bonus, damage
 - Movement speed
 - Size (token size on grid)
 - Duration (1 round/level for SNA)
4. Verify alignment restrictions work (Giant Eagle only for NG+ casters, etc.)
5. Verify aquatic creatures are appropriately restricted (or at minimum functional)

10. Open Questions & Future Work

Open Questions

1. **Aquatic creature handling:** How should swim-only creatures (Porpoise, Sharks, Squid) behave on land maps? Options:
 - a) Filter them from the selection list when not near water
 - b) Summon them but give 0 land speed (they flop helplessly)
 - c) Give them minimal land speed (5 ft) as a game compromise
 - d) Defer aquatic creatures entirely (Phase 5 is low priority)
2. **Ranged natural attacks:** Arrowhawk's electricity ray is a ranged touch attack. Does the current `NaturalAttackDefinition` support `IsRanged = true` and `IsTouchAttack = true`? If not, implement melee-only bite as fallback.
3. **Spell-like abilities:** Unicorn has several spell-like abilities (cure wounds, teleport, etc.). Should these be:
 - a) Fully implemented as castable abilities
 - b) Simplified to passive bonuses (e.g., self-heal X hp/round)
 - c) Omitted for summoned version (summon duration is short anyway)
4. **Alignment restrictions on SNA:** Giant Eagle (NG), Giant Owl (NG), Satyr (CN), Unicorn (CG) have alignment restrictions. Does the current summon system check caster alignment? If not, should it?
5. **Hit Die Type:** The `HitDieType` field — confirm: Animals = d8, Outsiders = d8, Fey = d6, Magical Beasts = d10, Elementals = d8. Verify this matches the existing patterns in NPCDatabase.
6. **Wolf alias verification:** Need to compare `wolf_pack_hunter` stats against MM wolf to determine if alias is accurate enough or needs a standalone `wolf` entry.

Future Work (SNA V-IX)

This plan covers SNA I-IV only. SNA V-IX add:

- Large Elementals, Huge Elementals, Greater Elementals, Elder Elementals
- Dire Tiger, Dire Bear, Dire Shark
- Griffon, Pegasus
- Roc, Triceratops, Tyrannosaurus
- Treant (CR 10)
- And many more outsiders (Bralani, Djinni, Janni, etc.)

These will require a separate planning document when the time comes.

Superseded Documents

This plan **supersedes** the previous `docs/sna_creature_audit.md` which had incomplete/incorrect canonical lists (missing Hippogriff, Thoqqua, and several SNA IV creatures).

End of Implementation Plan
