Recommended Implementation Order

1. **Ring of Protection** — highest impact, simplest to implement
 2. **Ring of Energy Resistance** — uses existing resistance system
 3. **Ring of Evasion** — single flag toggle
 4. **Ring of Freedom of Movement** — existing spell effect
 5. **Ring of Force Shield** — introduces toggle pattern
 6. **Ring of Invisibility** — introduces command word pattern
 7. **Ring of Blinking** — uses command word pattern
 8. **Ring of Wizardry** — high value for spellcasters
 9. **Ring of Three Wishes** — leverages existing Wish system
 10. Everything else in priority order
